These past 3 years have really been great. I'm only sorry you couldn't be in any of my classes besides Home-room. But that was better than nothing
Scott, you're one person I'm not going to forget! I'll always remember all the occasions you thought up - just to get a kiss! Sorry I caused you and Gail to get in all those arguments.
You've really shocked me with your plans of going into the Air Force (I like your hair!) I do hope I hear from you from time to time!
You've been a really great friend - even if you are crazy
Thank you for the dinner - & for introducing me to Vodka Sours.

It seems that I have the everyday typical things to say, but when I say them, I really do mean them. You're really a great guy and I'm glad I've gotten to know you. Math class would be a great bore if it weren't for your smart jokes. Anytime you want some chocolate chip cookies, just let me know, I promise it won't take me a month and a half to bake them. Next year's Math class is going to be really terrible, because I doubt that there will be anyone in there that can kid around as much as you guys have. Good luck wherever you go, and never forget me, I certainly couldn't forget you. Take care and the last thing I want to say, is, **and teach enemies love.** (I SURE WISH TINA WASN'T AROUND!)

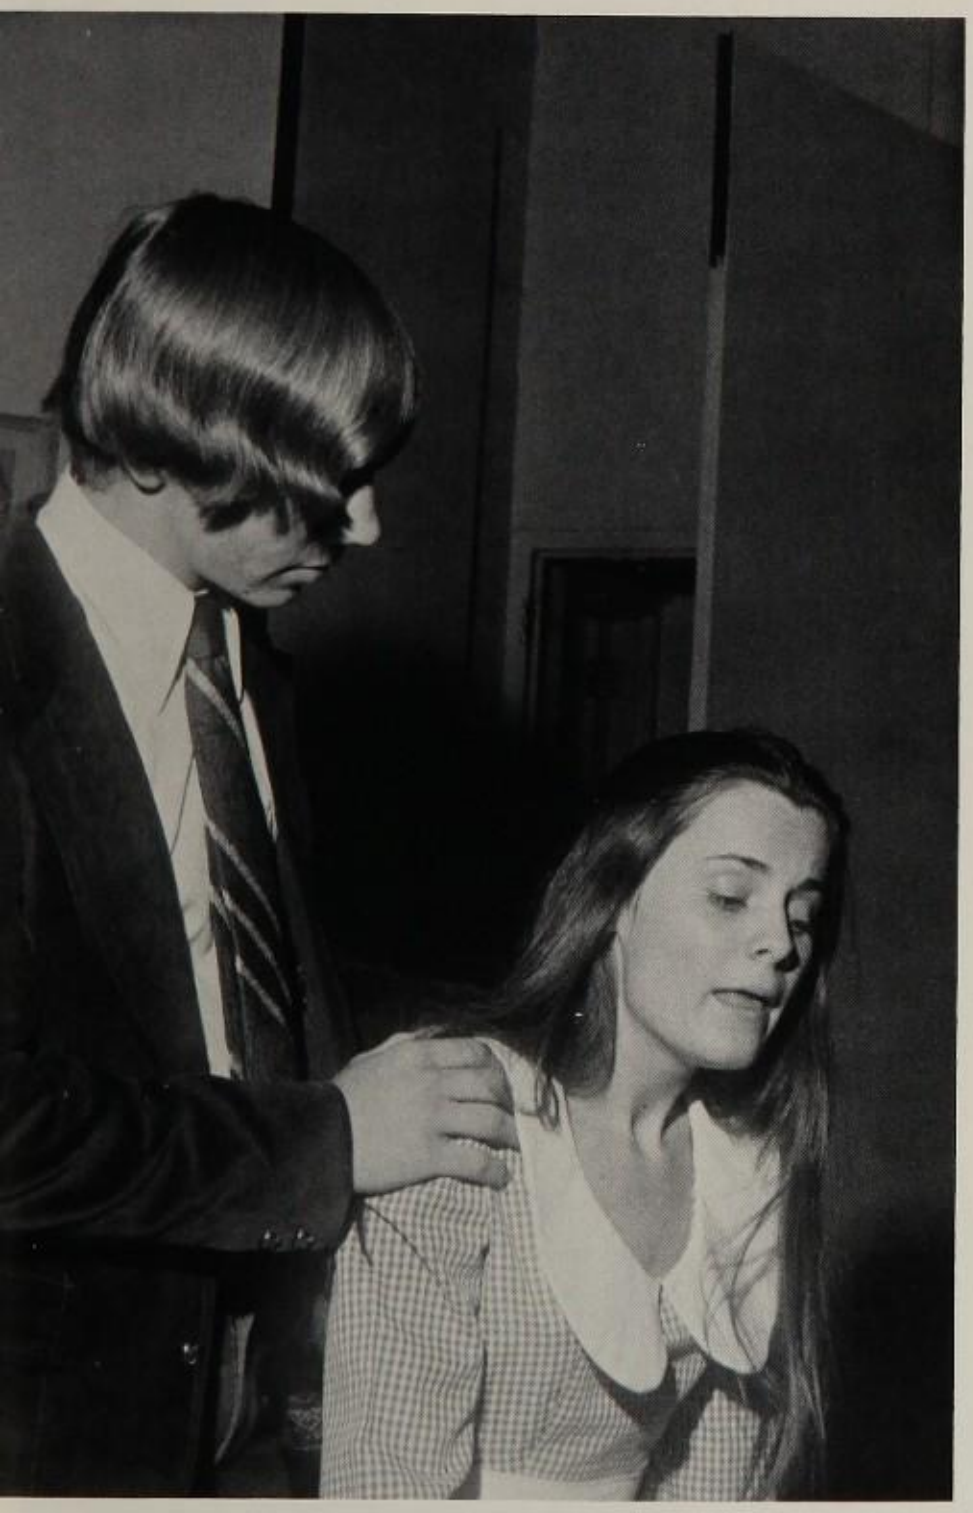
JUNIOR CLASS PLAY

A MAN CALLED PETER



Picture a middle-class family centralized in the very heart of the city called Washington, D.C. Imagine a man, true of heart, lover of children, and servant of God; giving of his time to community and individual concerns. This man is Peter Marshal, and together with his faithful wife, Kate, resolves the family and marital problems of good friend Susan, the thievery of Joe, the abruptness of Senator Pope, and the highly conservative views of Mrs. Bickle. Directed by Dean DeLoach and Gail Newsome, and starring Greg Lipsit and Vicki Blanton as Mr. and Mrs. Marshal, the play achieved a true to life biography of the real preacher and his life.

THE DRUNKARD

Bringing another first to Oak Ridge, the Senior Class of '74 presented the musical melodrama, "The Drunkard." It was a fun-for-all, with the audience participating in boo's for the villain, and cheers for the hero. Before long, everyone was joining in on the theme song; "Down with Demon Drink."

Give it up! Give it up!
Drinking is a sin.
Drink it down! Drink it down!

The year: 1973. The setting: a high school stashed away in the south central corner of Orlando, Florida. The action: FOOTBALL. Within the realms of sweat-bounded bodies and stringent practice, approximately 100 young men underwent the trials of becoming the number two team in the Metro Conference. Throughout the summer, arduous practice was the theme as the determining fall season approached. Excitement and the hopes of an enlightened student body carried the young men of the Oak Ridge football team onto the playing field.

The victory which was so enthusiastically yearned for by the team slipped through Oak Ridge's fingers

as Boone overcame the Pioneers by a score of 20 to 13. The big play of the game for OR came when Earl Carr ran a 73-yard play into the end zone for a TD after catching the pass thrown by quarterback John Lauderback.

The first game was only a sunspot of defeat in the blazing inferno of the season. The second mind-staggering game came as the Pioneers met the Evans Trojans on the Oak Ridge field. The air burst with the energy of Earl Carr once again. Carr pulled in 28 points during the third quarter of the game to overpower Evans 41 to a shallow 15.

With a record of 1 and 1, the Pioneers devoured yet another foe with Carr, Wilson, and Henderson's fury

adding a foundation to the sensational team. The Colonial Grenadier force showed a good comeback during the second quarter only to fall to defeat by a score of 41 to 21. Once again, Oak Ridge made an enormous footprint in the Metro cement.

Jones tried. Jones fought. Jones lost! In the buckets of rain that poured over the stands at the Tangerine Bowl, the Pioneers turned over the ball five times to the Jones defense but overcame their fumbling with the leadership of John Pennington and Kevin Henderson who accounted for 184 of Oak Ridge's 344 yards rushing. The illustrious comeback provided the Pioneers with a winning 27 to 14 game.

Oak Ridge achieved their fourth straight victory when they came to wits with the Sanford Seminoles. Scoring in every period, the Pioneers burned out the opposition. The star players of the night were Gary

lelson, with the first of three conversions; Mark epasky with a breathless interception; Earl Carr; nd John Lauderback, who recovered his own fumle in the end zone to make the final score 27 to 6.

Oak Ridge coach Paul Adams explained, "We're laying bad and we want to win so bad that we just eem to play poorly by trying so hard." So, common o Oak Ridge spirit, the Pioneer team made a dazzng comeback by splattering the Bishop Moore Horets by a score of 34 to 8. After the conference's lead-

ng scorer, Earl Carr, fired up the Pioneers, they noved downfield for 5 big TD's, one of those being a umble recovery by Repasky which he took with a 2-yard jaunt for 6 points.

One of the only losses of the year came when the Edgewater Eagles won their first victory in five years ver the Pioneers. It began with an Oak Ridge touchown run by John Lauderback to make the score 7 to . Even with the defensive wizardry of the Pioneers, Edgewater managed to slip in two touchdown plays arly in the third quarter. The final score was 14 to 7 n favor of the Eagles.

Still, the spirit remained as the Winter Park Wildats, professing to be seventh-ranked in the state, ared to challenge the awesome might of the famed ORHS defense. Once again, all-star Earl Carr proved is mettle by bombing his way in for two passing ouchdowns. Pete Sitero and Steve Martin intereded defensively to hold the Wildcats for three ttempted TD's. Achieving a lead of 7 points, the Pio-

neers pranced to the locker rooms as Oak Ridge students stormed the field to the music of a 20 to 13 victory.

The 1973 Homecoming festivities proclaimed the conquering of that night's opponent, the Lyman Greyhounds. As hundreds of formally dressed students ignored the coat and tie and long gown boundaries by keeping the Oak Ridge stands alive, the Pioneer team rumbled across the field to a "pound-in-the-ground" victory. Intensive action gripped the crowd throughout the annual game, but in the end, in standing with the '73 tradition, the Pioneers crowded Lyman to a 41 to 14 breakdown.

The newspaper printed it, "DEEfense! Oak Ridge." Television and radio proclaimed, "Pioneers cap 4th-ranked Merritt Island by a 17 to 7 overrun." The Mustangs, who had won the Class AAAA state title the year before, were casually laid to waste by the greenclad ORHS defense. In the last 24 minutes of the game, the Pioneers completely neutralized the Merritt Island offense, forcing three turnovers and inspiring Greg Wilson to bring on 51 yards for an Oak Ridge touchdown. Again, it was Dennis Devlin, Ed Finella, Elio Florin, and Mark Repasky who turned back the Mustang offense inside Pioneer territory.

Oak Ridge, rising to the peak of the football totem, was declared number 3 in the state by the Dunkel Rating System. The season proved to be one of the best ever as the Pioneers finished second in the Metro Conference and earned a berth in the Sentinel Star Bowl.

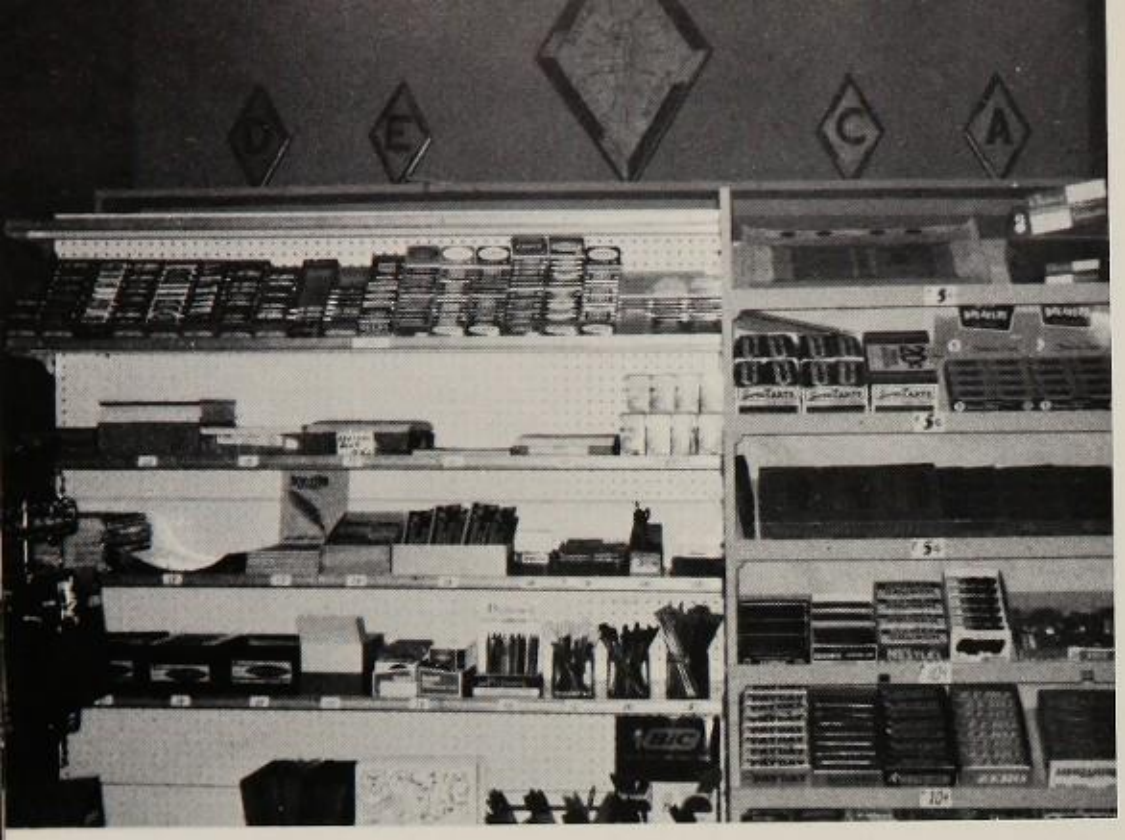
Student Council

The year 1973-74 will be long remembered by the Student Council and the student body of Oak Ridge. In the beginning was the Howdy Dance with "Cold Comfort," to welcome all old and "baby" Pioneers. For the first time ever, the Student Council sponsored the Olympiad, a full day of activities presenting ORHS to the community. Soon after, followed Homecoming 1973, the best ever at Oak Ridge. A full week of activities was highlighted by the parade, bonfire, and the dance featuring "Cinderblock." Second semester included the 50's Dance, cosponsored by the Senior Class; Heart fund; Awards Day; and many more. Along with Miss Clara Shellman, our sponsor, Student Council has strived to represent the student body in a stronger way in the day-to-day situations that arise. Together we feel that we've made 1973-74 the best year ever, and one that will not soon be forgotten.

Corine McMillan, secretary; Jim Hunter, president; Karen Stoeckl, treasurer; Mary Bowes, vice-president.



Deca II's accomplishments during 1973-74 did not go unnoticed at Oak Ridge. Margo O'Toole was elected president of Disney District Deca, and several members attended District and state leadership and officer conferences in Lake Buena Vista. They also operated the school store, held car washes and sold tupperware to raise money. As the highlight of the year, the Employer-Employee banquet was held to show appreciation to employers for opportunities provided in the business world.

DECA III's activities included Homecoming, Olympiad, and making posters to recruit new students for distributive education. Fund raising occupies a great amount of time for DECA students as we have students participating in State officer's training conference contestants for job interviews, advertisings, display and other DE study areas. The winners of these contests at the district level will enable these people to attend the State leadership conference. At the end of the school year we invite our employers to a banquet in their honor. Money is raised for these various activities by holding car washes, candy sales, donations, and club member dues.

Fairs, tractor rodeos and driving contests in Daytona Beach, and National Public Speaking Tours. They also exhibited their fine talents at the Central Fla. Fair, Orange Co. Agricultural Center, and everywhere around our campus. Members have attended state conventions in Daytona and the national convention in Kansas City. Under the leadership and direction of David Lewis, their president, and Mr. Harness, their sponsor the Future Farmers of America have been a great asset to Oak Ridge.

AFS

The American Field Service International Scholarship Club opens doors which lead to understanding and friendship among the people of the world. Through this door thousands of students, such as Peter Pedersen here at Oak Ridge, come to the United States to become a part of a family for an entire year. In this way, young citizens of the world learn to appreciate and respect the similarities and differences of people who, though they live in different countries, have dreams and efforts similarly directed toward the goal of a peaceful and useful life.

Peter Pedersen, Denmark

French Club

The French Club sponsored the French Fete this year in which students participated from all over the county. They recited poems, gave speeches, and performed plays, all in French. At the end of the year, they held a banquet with other foreign clubs in which they all gave skits in their adopted languages.

The Spanish Club was led by Sue Wrobel, president; Terri Skinner, vice-president; Diane Sikora, secretary; Sue Jones, treasurer; Linda Shuford, historian; Greg Williams, chaplain; Elaine McCully, reporter.

Some of the purposes of the Health Careers Clubs are to encourage members to discover what the requirements of the various health careers are and what they offer, to help members decide wisely about a health career, and interest members in personal and community health. Health Careers participated in various activities this year such as homecoming, Olympiad, field trips, and state and district meetings.

They painted the entire guidance department, held a canned goods drive for the Tom Skinner Home, and at various times through the year, candy and donut sales. They participated in Olympiad with a tricycle race. And holidays weren't forgotten as P.J. handed out candy canes at Christmas and sold Easter baskets. As always several members of P.J. went to youth legislature this year held in Tallahassee. Thanks to Mrs. A. Smith this was a tremendous year for Phyllis Johnson Tri-Hi-Y.

Besides the regular candy sales, bake sales, and car washes they held a rummage sale to raise money for the South Branch Y.M.C.A. During the holiday's, various parties were held for the Russell home and welfare children. Carnations were sold for Valentines along with bunnies at Easter time. Civitan

Civitan gets better every year and this year was no exception. To boost spirit, they sponsored motorcades and buses to away games, created an unusual float which tied for second place during Homecoming, and made a green and gold PRIDE flag. For all you marching kazoo band members, your instruments were provided by these spirit lovers. To beautify the campus, Civitan participated in plot day and once again made the senior sidewalk. Not only were they a service to the school but to the community as well by joining in the Pinecastle "Pioneer Day" activities. One thing is sure, you'll never get the shaft from Civitan.

The Civinettes have had another very successful year. The main projects have been Claxton Fruitcake sales, tutoring elementary students at the Zeigler Community Center, selling products for Industries for the Retarded, and working with the International Civitan for the National Association of Retarded children. Around Oak Ridge they captured first place with their Homecoming float, sold Pioneer bumper stickers, and paid for a batter's cage for the baseball team. Although the emphasis is helping others, many lasting friendships are formed as Civinette sisters work together.

Keyettes came to the community's service by helping the Zeigler Community Center, the Russell Home, and by giving the children at Sunland Hospital a Valentines Party. Balloon sales, candy canes at Christmas, and dozens of Donuts were just some of the things Keyettes did in order to better the Community and keep Oak Ridge #1.

Thespian Troupe #238, under the direction of Mrs. Cowart, had an exciting year. Beginning with the Senior Class Play, "The Drunkard," and the Junior Class Play, "A Man Called Peter," the Thespians helped to bring a variety of drama to Oak Ridge. For individual learning, there was participation on both District, and State competition. As Thespians grew in size, they also grew in their knowledge of drama, both on, and off the stage.

Math — Science Research Club

Math — Science Research club-block has been active this year running the concession stand at football and basketball games the proceeds of which helped to pay for independent research and computers for the school. All of the work was spurred on by their fearless leaders, Mr. Howard and Mr. Blanchard.

Ecology

Mother earth beneath my feet
Tell me, tell me something sweet.
"Tell me something sweet you say
Sorry man, there ain't no way.
Sweet isn't what this trash is called,
My prairie lands are going bald.
Creeks don't swell with summer rain,
Soap and waste fill up my veins."
Mother earth we're trying hard,
Recycle paper they discard.
Clean some lakes and the canal,
Take the bus for air is foul.
Mother earth beneath your feet
Says "Right on, that's hard to beat."

Exchangettes

Exchangettes were never at a lack of involvement this year. As a matter of fact it was quite the opposite. During the Thanksgiving holidays, they supplied needy families in the community with baskets of food. They also supplied the typing classes with new typewriter covers. You were always sure to see these troopers at almost every game selling balloons to promote spirit. They also sponsored a balloon bust for the Lyman homecoming game. To help the community they visited hospitals, cleaned parks, and repaired the childrens toys in nurseries. Exchangettes were proud of the results and accomplishments in all their projects.

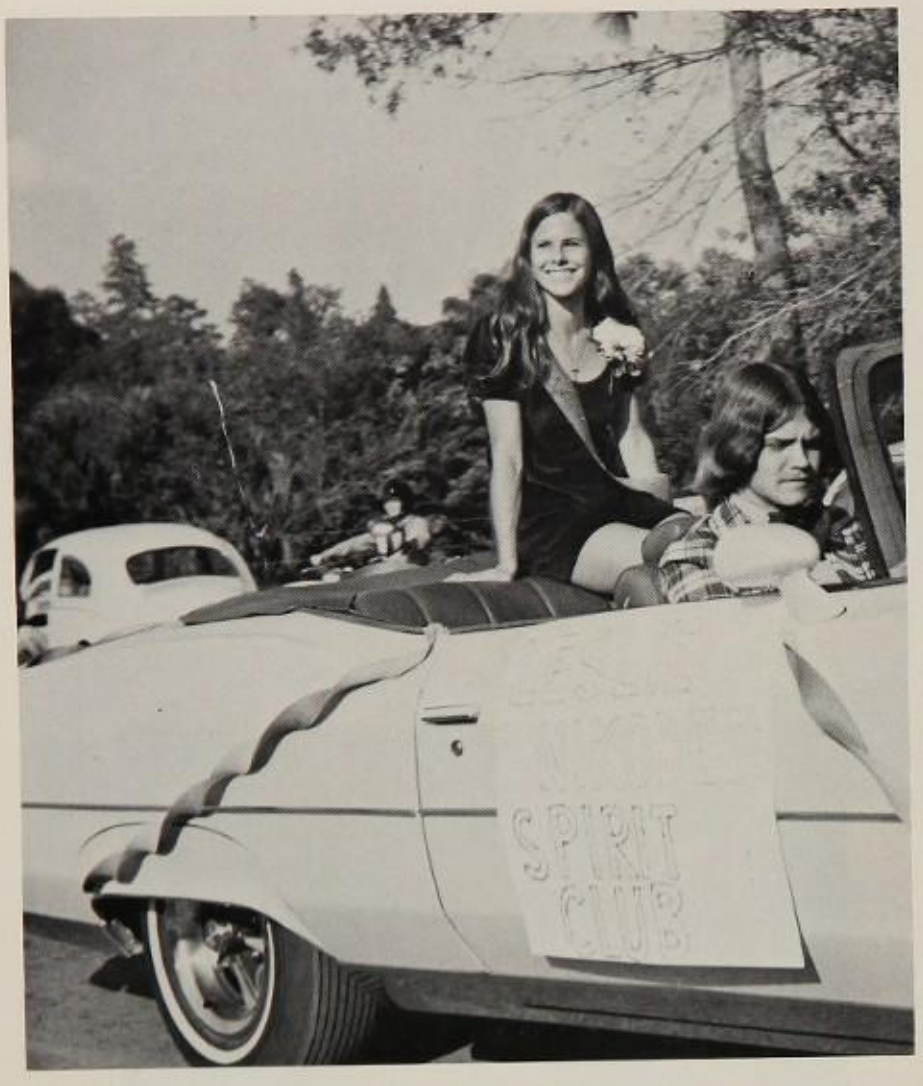
J.V. Cheerleaders

"Little willie," Kathy Gordan.

The J.V. Cheerleaders made this year one of the most memorable ever. Participating in Pep rallies, organizing team breakfasts, and decorating locker rooms are just a few of the many activities in which the J.V.'s were involved. They supported the football and basketball teams with their spirit filled chants and endless smiles, but most remembered will be the enthusiasm and pride shared by each one of them for the school in which they love. OAK RIDGE!



Sweetheart, Leslie Nikoden.

Spirit Club

The mighty Pioneers were never at a loss of spirit this year thanks to our girls in green and gold. The senior girls of the Spirit Club did much to boost the morale of ORHS students. They could be heard at each football game clanging the "victory bell" to glorify each touchdown. Under the leadership of Miss Lewis, they had candy and donut sales, teas for the cheerleaders, a "pluck the Eagles" contest before the Edgewater game, and parties for the various athletes. Proudly wearing their green and gold uniforms, the Spirit Club of '74 did its share to make OR the most spirited ever.

Pioneer Gymnastics

Sponsor, Miss Metcalf.

September, 1973 was the founding date of Oak Ridge High School's first gymnastics team, The "Pioneer Gyms." The team's performances during the year included half-time at basketball games, gymnastics shows, performances at area schools, and special interest groups. The shows included such things as double and triple stunts, pyramids, floor-exercises, beam and trampoline routines and mat shows. The founder and sponsor is Miss Glennelle Metcalf.

Varsity Cheerleaders

Sponsor, Mrs. Reddick.

"Little willies," Susan Harvard and Teresa Trehos.

Being a varsity cheerleader for the 1973-74 school year was a beautiful and rewarding experience. After attending N.C.A. and A.C.A. camp, the cheerleaders came back with new ideas, cheers, chants, and mounts. The work that the cheerleaders do to earn money is long and continuous. Bake sales once a month, car washes, selling slogan ribbons, the jobs seemed never to end but the end result was worth the effort that each girl put forth.

The Oak Ridge Bands, soloists, and ensembles have consistently been rated superior in district and state competition since 1967. Mr. Keith Ledford, band director, demands perfection in himself as well as of his musicians. Oak Ridge graduates are on college music scholarships, playing in service bands, and teaching music all across America. Among its seventy performances this year, the band performed at "Orlando Presents" in Eola Park and on network television. Oak Ridge is extremely proud of its superior band program and of its superior director.

G.A.A.

G.A.A., organized to allow young ladies to participate in such sports as basketball, volleyball, and softball, worked hard to be an asset to ORHS. This year they participated in the Olympiad, cleaned up around the gym, and sold pom-poms. Before each game they painted signs and hung them around the school. G.A.A. also sponsored a student-faculty volleyball game and raised money through various car washes.

"Power to the press" was the byword as a group of dedicated young journalists each month published the Trailblazer, the campus newspaper. Ever striving to improve the journal in its range of interest, the emphasis was on imagination in features, accuracy and comprehensiveness in reporting, and fairness and responsibility in its editorial policy. Under the leadership of Dana Eagles and backed up in sales by journalism classes, the staff worked daily in gathering news and other material and laying it out for publication, bringing the best of the "fourth estate" to the Oak Ridge campus.

Pathfinder Staff

Beginning in the summer of 1973, the Pathfinder Staff worked hard toward the '74 Pathfinder.
Attending a three day seminar in Tampa, new techniques and ideas were learned by staff members while the photographers joined photography classes. With the beginning of the school year, the work increased as the months went by. Attending games, plays, etc., the photographers gathered pictures; club and underclassmen pictures were taken; information was gathered, and an endless pile of layouts was built towards the approaching deadlines.
At Christmas, the work was slowed to enjoy a Christmas party, and rest. But not for long.
In January the annual Miss Pathfinder Pageant was held, put on by the Pathfinder Staff.
The '74 Staff was very appreciative and grateful for all the help and guidance of their advisor, Pat Lockaby, and very proud of one of the best yearbooks Oak Ridge has ever produced.

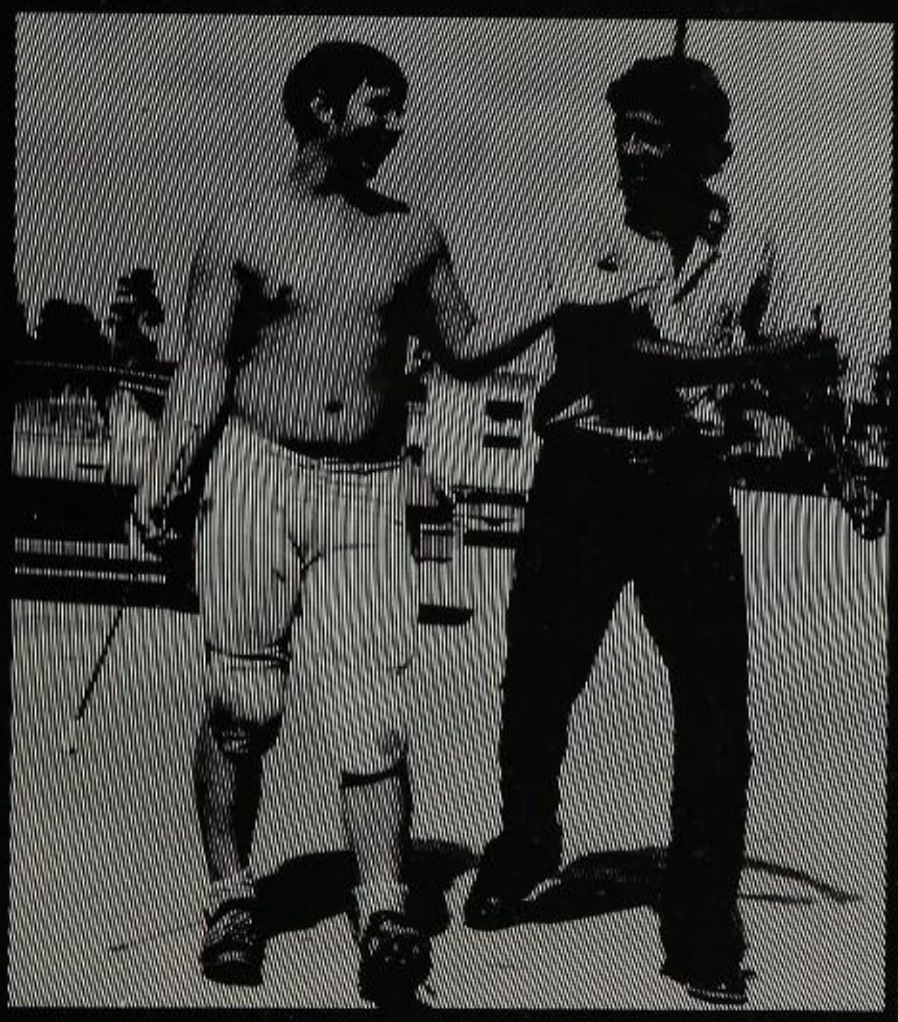
Respond to life, and rejoice,
For we are one together.
Celebrate, because we
Are special individuals.

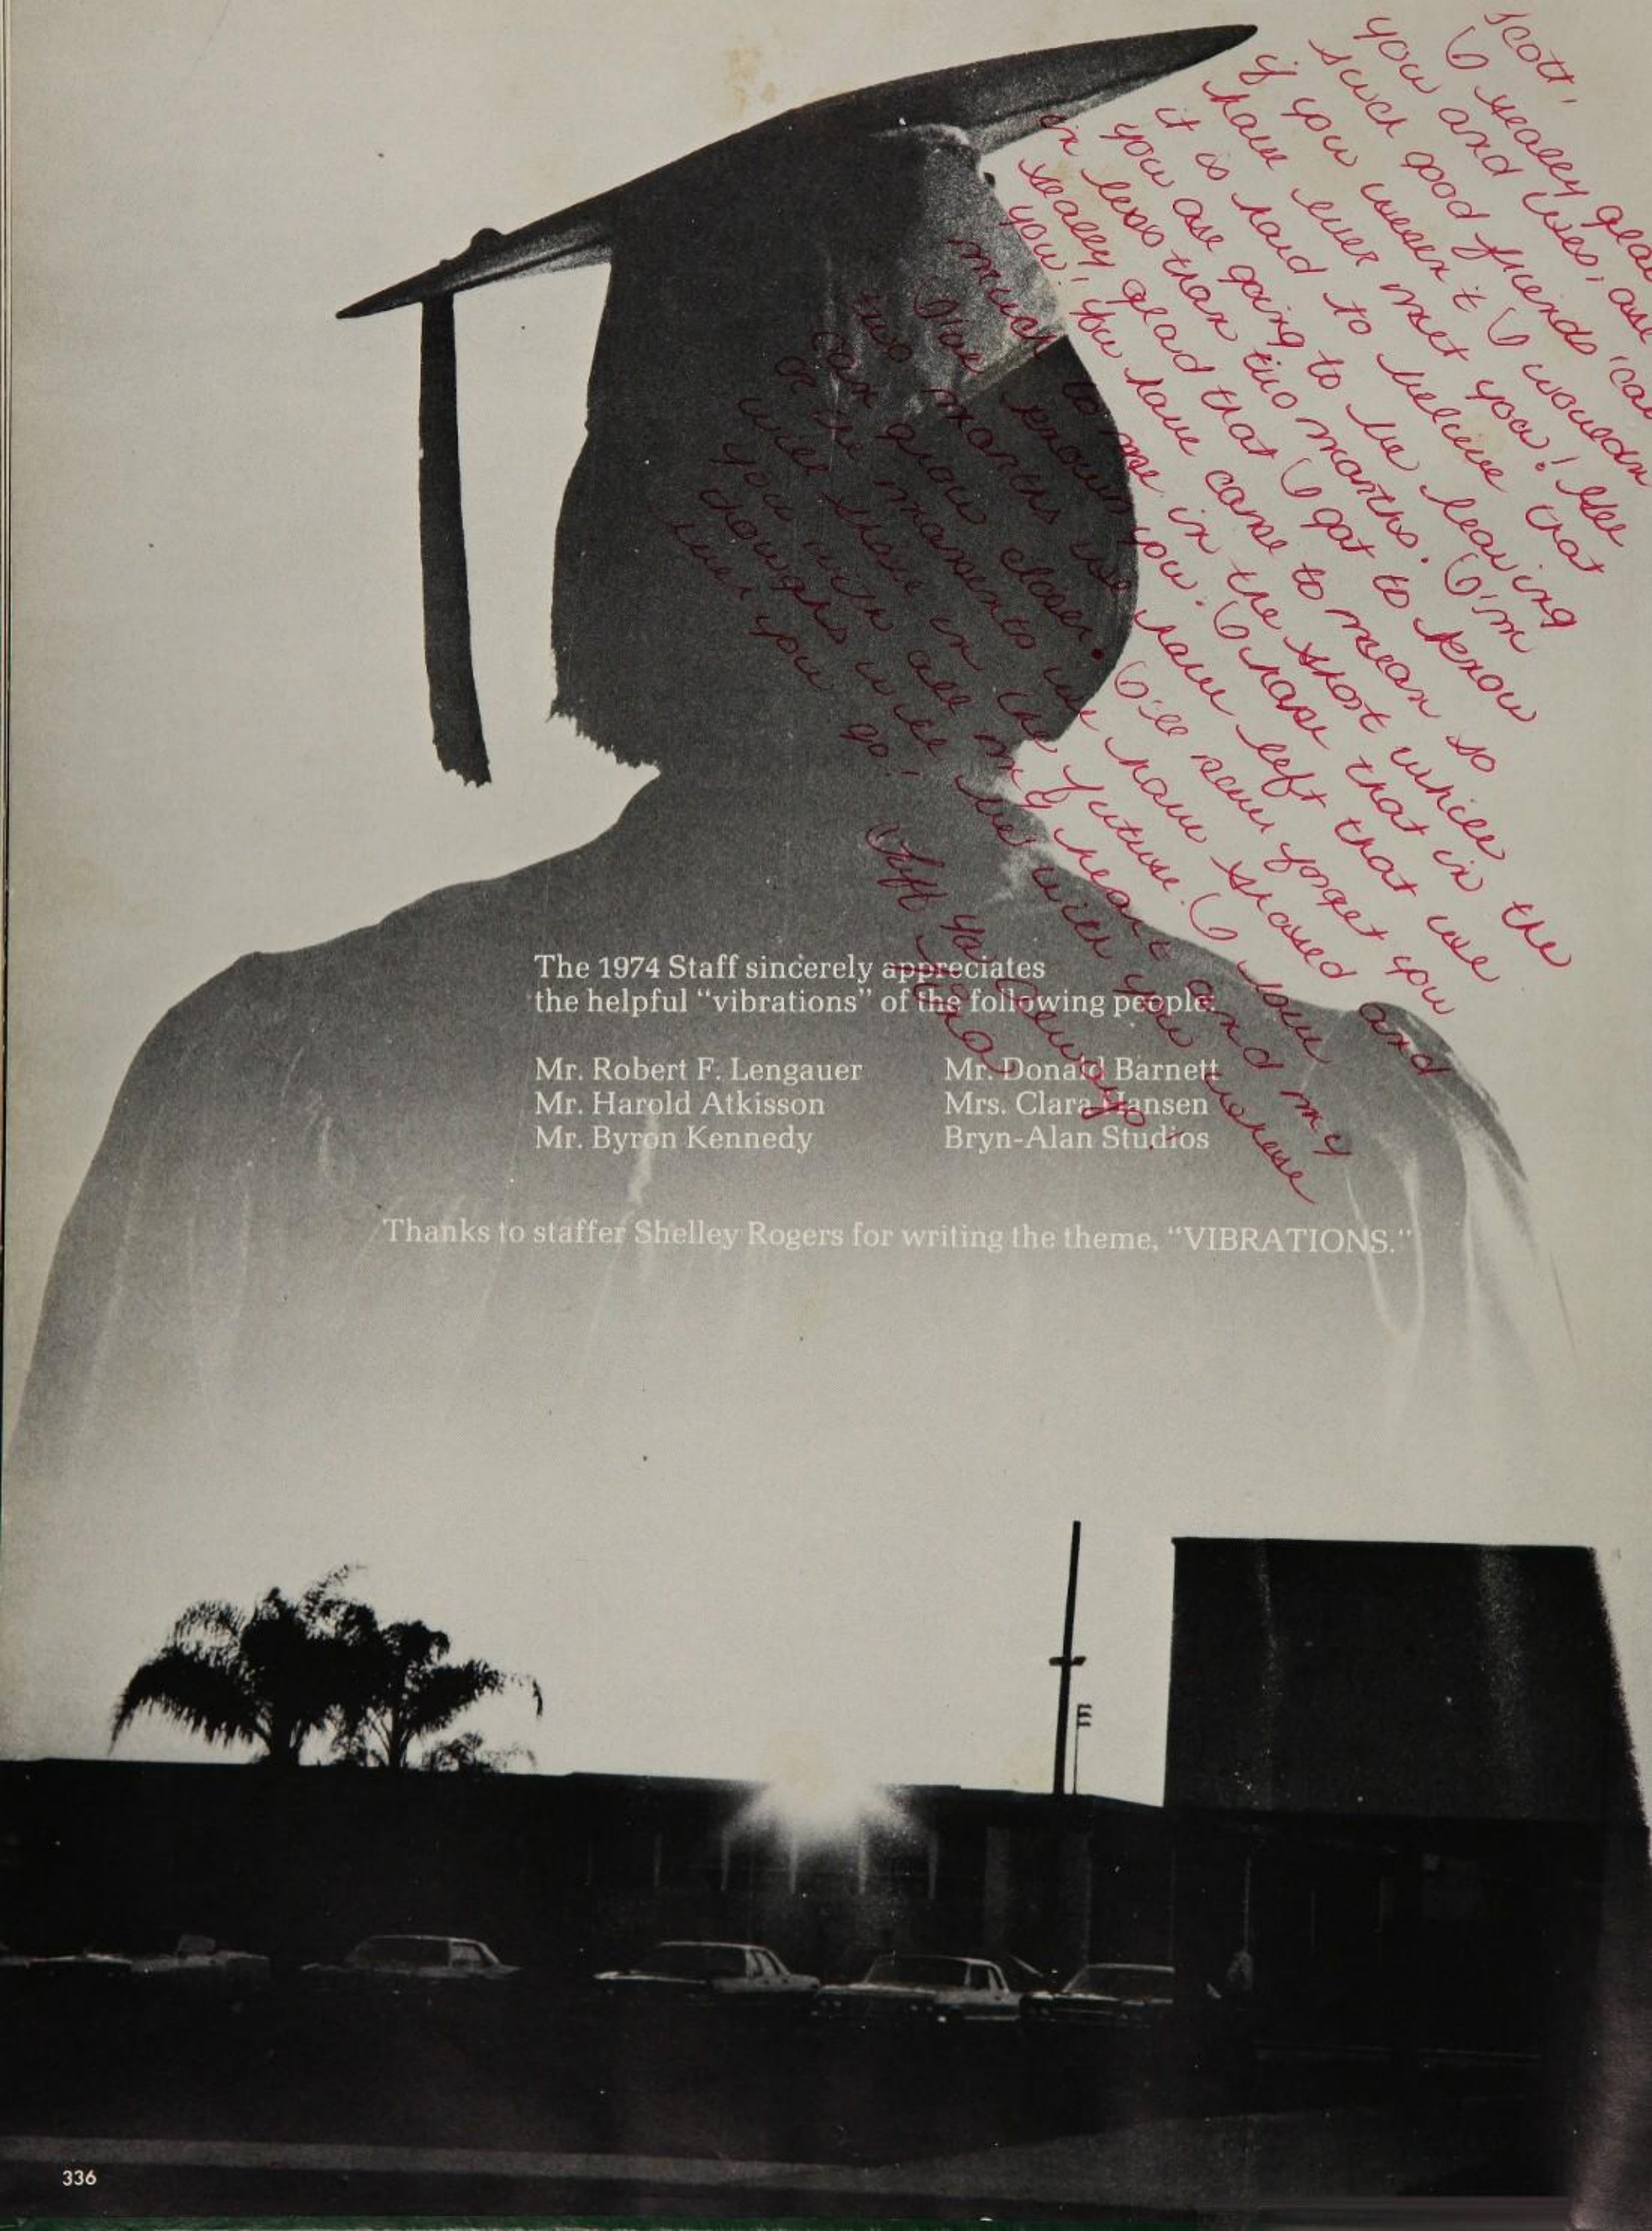


Cheer with people
And give for harmony,
And perhaps you will glimpse
The magic freedom of peace.

As

Search and question;
Look and reach for truth.
See realities in values,
And teach enemies love.

Birth has joined us
Under one dazzling sun.
Shout! Come and dance,
And lift your heart and soul
To the vibrations of our world!



The 1974 Staff sincerely appreciates
the helpful "vibrations" of the following people:

Mr. Robert F. Lengauer
Mr. Harold Atkisson
Mr. Byron Kennedy
Mr. Donald Barnett
Mrs. Clara Hansen

There's enough words to describe you enough words to describe you as a person and a friend. You're the kind of friend that I'll never forget. We've been through some tough times and some great times. You're one of the most beautiful and sweetest people I've ever met. You're always there for me. Thanks for everything.
